

Amana Colonies in Autumn

October 24 – 26, 2010
Sunday – Tuesday

Experience the old world charm of a time gone by in the villages of the Amana Colonies!

Day 1 – Sunday, October 24: We start out on a beautiful fall morning and travel the scenic back roads through Missouri and Iowa. We'll take stretch and lunch breaks along the way. This afternoon we will pick up our local guide for a driving tour of **Amana Colonies**. You will visit the village of Amana and Homestead and tour the **Amana Heritage Museum** and **Community Church Museum**. The history and culture is fascinating and you'll learn how the church plays such an important role in their lifestyle. We'll see and learn about South, West, High and Middle Amana, too. Our lodging will be in Tama, IA, at the Meskwaki Hotel and casino for the next two nights. (Included meals – dinner)

Day 2 – Monday, October 25: This morning we are off to explore the barns and historical architecture in Amana. We'll also have time to tour and shop in the **19th Century general store** in High Amana. You will enjoy a **home cooked German lunch of Wiener Schnitzel** and all the delicious sides. After lunch you'll have time to shop the unique stores, sample the local wines at one of the wineries, watch local craftsman make an assortment of items or just sit and enjoy a beautiful autumn day in Amana! Then it's back to the hotel for some R&R, or bingo if you prefer! (Included meals – lunch)

Day 3 – Tuesday, October 26: You can relax this morning, have a delicious breakfast sandwich in the café or and get a rejuvenating massage at the hotel's spa (be sure to make your reservations early!). This afternoon we head for home, watch the fall color and reminisce about the simple yet beautiful life in the Amana Colonies.

Package includes: Deluxe motorcoach transportation, overnight lodging and baggage service, sightseeing fees for planned events, meals and gratuity for planned group functions, and a fun and friendly tour guide.

Package pricing: \$245 per person for double or triple occupancy
\$305 single rate
