Should you, for any reason, find your roommate unacceptable, your tour escort will arrange a single room, whenever possible, at your own extra expense.

Travel Tips

Seat Rotation – Passengers on sightseeing tours rotate seats once a day at the end of the day to give everyone an opportunity to enjoy a different view and to meet new people across the aisle. Passengers who do not wish to rotate may sit in the back of the coach. **Luggage** – Limited to one large bag per person, plus a small overnight bag small enough to fit under the seat or on the overhead rack of the coach or airplane. We take care of your large piece of luggage for you. The small overnight bag is your responsibility. Although every effort is made to handle your baggage carefully, we cannot be responsible for lost, stolen, or damaged articles, including luggage. **Medicine** – It is advisable to have a supply with you to last the duration of the trip. This is particularly true when going out of the country and to Alaska. **Insurance** – An optional low-cost accident, sickness, baggage, and trip cancellation insurance plan is available to tour participants at the time of booking. We highly recommend such coverage for your protection. **Smoking Policy** – We request that there be no smoking while on the motorcoach. However, frequent rest stops are made for your convenience.
